MEMORANDUM FOR: Director of Security

25X1 FROM:

[redacted]
Chief, Management Planning & Services Staff

SUBJECT: Reinvestigations

Jim -

25X1 1. Recently [redacted] gave a very well-received briefing to the DDI, ADDI, assorted DI Office Directors and DI Staff Chiefs, regarding Security's ongoing and obviously expanding Reinvestigations Program. The briefing had been requested by Dick Kerr and, as given by [redacted] it encompassed the entire scope of the program. As you might imagine it brought forth a lot of questions from the assembled, which [redacted] handled adroitly and directly, and seemed to address the issues which Dick had requested. One particular recommendation which several office directors made was that a briefing such as this be available on almost a weekly basis for all Agency employees scheduled to undergo a RIP polygraph examination. It was felt that such a briefing might well cut down on the "noteworthy" cases which we were told have accrued from the RIP polygraph. [redacted]
